Mr. G. F. Simmons, of Cincinnati, United States Recruiting Officer, is in this city with the view of obtaining several young men to enlist either in the army or navy. Mr. Simmons is planning to be in Maysville a week in every month to get recruits. His headquarters will be at 127 West Second street.

Clean skimmed milk is a valuable food, but it should be sold as skimmed. You can tell a wig a woman wears by the emphatic way she acts as if it wasn't.

URIC ACID IN YOUR FOOD

Maysville People Must Learn the Danger of a Heavy Meat Diet.

Even dogs can eat too much meat. Certainly, many people "dig their graves with their teeth." Few get enough exercise to justify meat more than once a day. Meat brings uric acid.

The kidneys try hard to get rid of that poison. But often a backache or some other unusual ailment will show that the kidneys need help.

The time-tried remedy, then, is Doan's Kidney Pills.

The remedy backed by Maysville testimony.

Read this case. Mrs. W. A. Schatzmann, 605 E. Second street, Maysville, says: "From the benefit I have received from Doan's Kidney Pills, which I buy at Chas. Schatzmann's Drug Store, I have every reason to recommend them. Whenever my kidneys have been irregular in action or I have suffered from weakness and lameness in the small of my back, I have used Doan's Kidney Pills. They have always proven sufficient to quickly cure and attack."

Mrs. Schatzmann is only one of many Maysville people who have gratefully endorsed Doan's Kidney Pills. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for DOAN'S KIDNEY PILLS, the remedy backed by home testimony, 50c all stores. "DRY" PETITIONS FLOOD CONGRESS—MEMBERS OF HOUSE URGED FROM ALL PARTS OF COUNTRY TO PASS BILL.

Washington, December 15—Legislative measures aimed at destruction of the liquor traffic continue to accumulate in Congress, as both houses are deluged with petitions from all parts of the country urging adoption of the national prohibition constitutional amendment and passage of other anti-liquor measures, including the Sheppard bill to prohibit the manufacture and sale of liquor in the District of Columbia.

The House Postoffice Committee opened the door to another phase of the problem today in reporting favorably a bill by Representative Randall, of California, designed to close the mails absolutely to advertising of any intoxicating liquors, and to deny mail order houses the right to go into either "wet" or "dry" territory to solicit sales through the medium of the mails.

Necessary Majority Doubtful. No move was made during the day by prohibition leaders in the House regarding the constitutional amendment reported yesterday from the Judiciary Committee, but Representative Webb, chairman of the committee, plans to ask the Rules Committee for a special rule to get the resolution before the House soon after the holidays.

Now that excitement occasioned by the unexpected action of the Judiciary Committee in recommending the resolution has subsided, House members are reflecting on the prospects for its passage and the consensus of opinion seems to be that it cannot get the necessary two-thirds majority in the Sixty-fourth Congress. Even Representative Webb is not sanguine of success now, but he is confident that the amendment will receive more votes than it did in the last Congress, when it had thirteen votes more than a majority. By the time the next Congress has considered the issue he believes, the victory can be won.

Senate Debates Sheppard Bill. The District of Columbia prohibition bill was under consideration for several hours in the Senate today, but was temporarily laid aside after Senator Sheppard had sought an agreement to vote next Monday. When opponents of the measure signified that they would be ready for a final vote at that time, Senator Jones, of Washington, as a friend of the bill, objected to fixing the date. Debate on the measure and the Underwood amendment to provide for a referendum on the issue to the voters of the District will be resumed tomorrow.

Senator Smoot, of Utah, declaring that the Sheppard bill is a makeshift, submitted a substitute today which would not only prohibit the manufacture and sale of liquor in the capital, but also prevents its importation for personal use.

NEW LIBERAL PARTY CONVENTION CALLED

New York, December 15—"Reincarnation" of the Progressive party with a new "sense of party independence" based upon the new liberal spirit was agreed upon at a conference of prominent progressives from several states, held here today.

Funds were subscribed to open a National Progressive headquarters in this city until the national convention meets in St. Louis. Permission for "those leading Progressives who have made party mistakes" to re-enter the party, was discussed, but no action taken.

Assurances also were given to those who seem to fear that the reactionary group of Progressives might gain control of the St. Louis convention, that only those known to be "loyal and true Progressives who had refused to go over to the Republican or Democrats" would have a voice in organizing the new party.

The conference, which was called by Matthew Hale, of Boston, national vote chairman of the Progressive party, lasted three hours. Mr. Hale was authorized to select a committee to plan for the national convention sometime around Washington's birthday. Its members will be announced later.

A resolution reaffirming the Progressive platform of August 1912, was adopted. Letters and telegrams read at the conference from Progressives who could not attend, showed that thirty-six states were represented.

\$30,000,000 OMNIBUS BILL INTRODUCED IN HOUSE

Washington, December 15—The \$30,000,000 omnibus public building bill which failed at the last session, was introduced in the House in revised form today by Chairman Clark, of the Building Committee. Advocates of the bill expect to press it for passage after the holidays.

PEACE IS UP TO ENEMY, EMPEROR TELLS TROOPS

London, December 15—"Confident that we are completely the victors," I yesterday made a proposal to the enemy to discuss the question of further war or peace," said the German Emperor in addressing the troops in Alsace recently, according to a dispatch published in the Cologne Gazette, says a Reuter dispatch from Amsterdam.

"What will come of it I do not yet know," the Emperor is reported to have continued. "It is a matter for the enemy now to decide if the fighting is still to go on. If the enemy still thinks he has not had enough, then I know you will—," here the Emperor, says the correspondent, made a warlike gesture, which "produced a fierce smile on the faces of all his men."

Had You

Heard that nearly half the Tobacco sold on Maysville Market, opening week, was sold at the

HOME

And, that it averaged HIGHER than the market. That is what happened. And, such will be the case throughout the winter. The reason for which is that every officer and employee of the HOME is a home man and feels an interest in helping his neighbor; which they do.

Tobacco! Tobacco! Tobacco!

Everybody Interested

Not only in the price at which it is selling but where the most satisfactory sales are being made.

Maysville with her BIG REDRYERS, and FACTORIES FROM ALL OVER THE WORLD being represented, it is but natural that the high price will be paid here.

And with present GOOD PRICES, our advice would be, bring in a load as soon as ready, not wait to get a big crop on the floor at one time, in this way you get an average of the market whatever it happens to be.

We are sending home more satisfied customers, for the amount of Tobacco offered than at any time since we have been in the business.

REMOVAL OF MANY TEETH BY BULLETS BRINGS INCREASE IN AMERICAN DENTAL TRADE

Chicago, December 15—Members of the American Retail Dental Dealers' Association, in annual meeting today, reported that the cessation of foreign competition and the removal of many teeth by bullets as a result of the European war had brought about a large increase during the last year in the dental trade of America. It was asserted that competition of German and French dental dealers heretofore had hindered the manufacture of teeth in America.

WORK OF SAVING SUBMARINE H-3 STARTED; DIVER READY

Eureka, Cal., December 15—Under the rays of searchlights the work of saving the United States submarine H-3, which stranded in the breakers near here yesterday, and from which the crew was rescued by means of a breeches buoy, was carried on tonight, both from shore and the sea.

An effort was being made to have everything ready to pull the diver in to deep water at the first favorable opportunity. All day, until late this afternoon, seas were breaking over the derelict.
